- The meet will be run under the most current Swimming Canada.
- Swimming Canada competition warm up safety procedures will be in effect.
- Starts in both pools will be conducted from Starting Platforms (blocks) as per FINA FR 2.3 and SW 4.1
- It is the visiting club's responsibility to ensure that their swimmers are supervised at all times, both during the competition and between sessions while at the Watermania facility.

Entries

- This meet is open to swimmers who have achieved ONE posted qualifying time in their designated age category.
- Athletes with 1 QT will receive 3 bonus swims, athletes with 2 times will receive 2 bonus swims, athletes with 3 times will receive 1 bonus swim.
- A swimmer may enter as many events as they like, as long as they have met the qualifying time.
- **NT's (except for relays & Stroke 50's) will not be accepted and will not be refunded.**
- The Richmond Rapids reserve the right to enter swimmers not meeting the qualifying standards.
- Swimmers must be registered with Swim BC or other affiliated FINA organizations.
- Swimmer age is as of the first day of competition.
- Age groups will be 12&U, 13&U, 14&15 and 16&O.
- **Athletes 12 years of age and under who meet the 13&U qualification may compete as 13&U for the entire meet.** Bonus swims are calculated based on the number of 13&U QTs.
- 10 & unders are limited to 4 hours per session, excluding warm up. Coaches are requested to adhere to this limit when considering entries.
- If timelines require, the number of heats in the 400, 800, 1500 Free and/or 400 IM may be limited. If restrictions are necessary, the heats will be filled by the top 8 swimmers in each age group, plus as many additional swimmers, by seed time, as can be accommodated. Teams will be notified via e-mail if their swimmers are not in the event, and another event may be selected before the scratch deadline. Any openings created by scratches from these events may be filled by deck entry at the meet, on a first-come-first-served basis.

Heats:

Due to changes in pool depth regulations, the starting blocks in the shallow end will be mounted on the narrow bulkhead mid-pool, with an adjustment to the number of timers per lane. Consequently, Provincial or National records will not be recognized during Prelims in the shallow pool.

Swimmers in the shallow pool will marshal beside the bulkhead and move to the blocks as directed.

- Each day, preliminaries for 12&U boys and girls will run in the shallow pool. Preliminaries for 13&U, 14-15, 16&O boys and girls will run in the deep pool.
- All heats in each pool will be senior seeded, slowest to fastest. (Distance: fastest to slowest)
- Preliminary heats will be start overs, with the previous heat remaining in the pool, except in backstroke, where swimmers will clear the pool between heats.
- Swimmers missing a preliminary heat will be considered a scratch and will not be entered in another heat in that event.
- Where possible, swim-offs will run before the end of the session in which the tie occurred, at a time mutually agreed upon by coaches and officials.

Finals & Awards

- Finals for all age groups will run out of the deep end.
- A & B Finals will be held for all events 50 to 200 meters in age groups with 24 or more swimmers entered as of the scratch deadline. Age groups with fewer than 24 entries will have only A Finals.
- 400-meter events will have only A Finals.
- A Finals will swim before B Finals.
- Finalists are considered to be the **top 16 plus 4** (top 8 plus 4 for events with only A Finals). Failure to scratch a finalist or alternate will result in a scratch penalty if the alternate is called. This penalty will adhere to Swim BC's scratch policy at heats/finals meets.
- Awards will be given for 1st through 8th for individual events.

Para Swimmers

- Para-swimmers who are registered with a FINA or WPS affiliate are welcome and will be seeded according to their entry time.
- 2018-19 WPS Swimming Rules will govern all Para-Swimmer events.

- Mixed Open Events (Friday): swimmers who have achieved the 800m standard for their gender may swim the 1500m event, and vice versa. Provincial and National records are not recognized in a mixed gender heat.
- Distance events will run after the end of preliminaries.

COMPETITION WARM-UP SAFETY PROCEDURES

Meet Management for all sanctioned Canadian swimming competitions must ensure the following safety procedures are applied. It is incumbent on coaches, swimmers, and officials to work together to comply with these procedures during all scheduled warm-up periods. Coaches are requested to encourage swimmers to cooperate with Safety Marshals.

GENERAL WARM-UP:

- Swimmers must enter the pool **FEET FIRST** in a cautious manner, entering from a start or turn end only and from a standing or sitting position.
- Running on the pool deck and running entries into the pool are prohibited.
- Meet Management may designate the use of sprint or pace lanes during the scheduled warm-up time. Any such lane usage must be communicated through a pre-competition handout, an announcement or deck signage.
- Diving starts shall be permitted only in designated sprint lanes. Only one-way swimming from the start end of sprint lanes is permitted.
- Pools with backstroke starting ledges available may offer a designated lane for backstroke starts, at meet management's discretion. (This is not mandatory if not enough general lane space is available for the number of swimmers in the meet.)
- Notices or barriers must be placed on starting blocks to indicate no diving during warm-up.

EQUIPMENT:

- Kick Boards, Pull-Buoys, Ankle Bands, and Snorkels are permitted for use in the main warm-up pool during warm-up.
- Hand paddles and flippers are permitted for use in a secondary warm-up pool only (where available), at meet management's discretion and recommended only for higher level or senior competitions.
- At meet management's discretion and based on available space, the Meet Manager may permit use of tubing or cord assisted sprinting in designated lanes and during specific times of the warm-up only. It is recommended that this only be allowed in secondary warm-up pools as space allows. Coaches are responsible for equipment reliability and use. This is recommended only for higher level or senior competitions.

VIOLATIONS:

It is recognized that there is a level of interpretation and common sense that must be applied when applying these guidelines. Diving headfirst quietly into an empty pool at the start of warm-up is not the same as diving headfirst into a crowded lane. Judgment and context is required.

- Swimmers witnessed by a Safety Marshal diving or entering the water in a dangerous fashion may be removed without warning from their first individual event following the warm-up period in which the violation occurred and the alternates in that event notified should that event be a final. They may also receive a verbal warning from the Safety Marshal. Swimmers receiving verbal warnings will have their names and clubs registered with the Meet Manager.
- In the case of a second offense during the same competition the swimmer may be removed from the remainder of the competition.

SAFETY MARSHALS:

The Safety Marshal is a trained position designated by Meet Management. Safety Marshals shall:

- Be visible by safety vest.
- Be situated at each end of the competition pool and when applicable, similarly situated in designated warm-up pools when pre-competition warm-ups are scheduled.
- Actively monitor all scheduled warm-up periods.
- Ensure participants comply with warm-up safety procedures and report violations to the Referee.

Depending on the level of competition, Safety Marshals have a role to help work with coaches and swimmers to ensure a safe warm-up environment. This may include educating a younger swimmer on the rules or communicating a concern to a coach.

Judgment, tact and confidence is required and therefore the Safety Marshal should ideally be a more experienced official.

PARA-SWIMMER NOTIFICATION:

Coaches are requested to notify Safety Marshals of any Para-swimmers participating in warm-ups where necessary and at the coach's discretion.

The following statement must appear in all Swimming Canada sanctioned meet information and posted notices:

"SWIMMING CANADA COMPETITION WARM-UP SAFETY PROCEDURES WILL BE IN EFFECT AT THIS MEET."
